

Dear Friends,

We are delighted to announce that Taryn Mason has been appointed Executive Director of Operation Sight. Taryn started in her role on September 19.

As a now former Board Member of Operation Sight, the organization recognized the opportunity to bring Taryn's managerial skills, development expertise, and compassion for others to Operation Sight full time.

Taryn grew up in Southern Wisconsin. She received her bachelor's degree from Georgia Southern University and her master's degree from the University of Illinois at Chicago. Prior to moving to Charleston in 2020, Taryn worked for nonprofits in Chicago gaining experience in nonprofit management, event fundraising, and major and planned giving.

Most recently Taryn was at the Coastal Conservation League and currently sits on the Board of the Association for Fundraising Professional's Lowcountry Chapter.

As we welcome Taryn to the organization, we would like to also take a moment to acknowledge Cindi Solomon and her work as Executive Director for the past 11 years.

Cindi helped create the foundation of success and we are forever grateful for her services. Under her leadership Operation Sight assisted over 700 South Carolina residents, not only creating an immeasurable impact on their lives, but also the lives of their families and loved ones.

We are grateful Cindi will remain involved in Operation Sight as a Board Member. We look forward to her continued guidance and involvement.

Please keep an eye out for communications from Taryn as she settles in to her new role. In the meantime, feel free to reach out to Taryn directly with any questions or kind words: [taryn@operationsight.org](mailto:taryn@operationsight.org).

Sincerely,

A handwritten signature in black ink, appearing to read "Loren".
